If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by making a sales web page for the new guide, but do not embrace a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with completely different prices on every page. Be sure your sales copy is exactly the same on every page, and

includes your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. It will let you know what your optimum value is.
