Do that by making a gross sales web page for the brand new e-book, however don't embody a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on every page. Ensure that your gross sales copy is precisely the similar

on every web page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.
