An effective method for determining a value is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the brand new e book, but do not embrace a value on that page. Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure your gross sales copy is strictly the same on every page, and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum value is.
