If you happen to *Kumon Math Guide* price it too high when put next with your competition, you'll discover yourself steadily decreasing the worth, which is able to cause you every kind of new problems in the future.

Choosing the right price to your **Kumon Math Guide** book is one of the most important parts of the advertising and marketing process. The first rule of pricing ebooks is to by no means underprice. Decide the very best worth your audience can afford, after which for those who discover your ebook isn't selling, you possibly can at all times cut back the price. Before you are taking that step, be sure to are promoting your Kumon Math Guide book like crazy on the Web and on websites. The worth should be aimed at bringing in profits, but you must by no means overlook that price is likely one of the factors that folks use in judging the value of your *Kumon Math Guide* e-book ? before they purchase it. So always begin with the very best value, and then launch a mega-advertising and

marketing campaign.

Pricing an book is particularly difficult as a result of ebooks are a fairly new commodity. Since they're digital, the value of an e book is as complicated because the understanding of what digital really is to the average layperson. Which means we should look at ebooks in a distinct light in order to decide their precise price in this brave, new cyber world.

Let's look at the distinction between a ebook in print and an ebook. A printed e-book is an object you can maintain in your hand, store on your bookshelf, even hand down to the subsequent generation. It's priced on elements such as paper stock, design and manufacturing prices, and marketing.

However the truth that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books that have the flexibility to vary, or probably transform, individuals's lives.

What do you suppose an thought is value when evaluated in opposition to the cost of paper and ink?

It is the IDEAS which might be useful! That is the way you determine the price of your ebook.

What should I cost for my ideas?

There are all totally different formulation and strategies for determining the correct value for your ebook. Let's start with honing in in your final goals.

Determine in case your objective is to get vast distribution and most exposure. This purpose is aimed at drawing customers to what you are promoting or service, or to establishing the credibility of your reputation. If that is your essential purpose, it's best to intention to keep your worth on the low side. Some authors have even priced their ebooks at a profit loss to draw a high variety of new customers. The key is to discover a value that maximizes your earnings and the variety of books you sell.

This is an excellent pricing strategy if you are looking to purchase lengthy-term customers. Lengthy-time period prospects are extraordinarily likely to buy from you once more and again ? as long as the first book they buy is of exceptional high quality and beneficial to the customer.

Nevertheless, if your e book contains useful ? and extra importantly NEW info, references, or strategies ? then you should goal to cost it on the high end.

After you figure out your purpose, you could work out what your viewers's need is in your ebook. For example, does your book clear up a particular downside? If it does, and solves it in a method that hasn't been written about in 100 different ebooks, you'll be able to achieve excessive gross sales at a excessive price. If your ebook solves an issue or answers questions in a new and distinctive way, it's best to worth your ebook as excessive as you can go. You'll obtain bigger earnings this way, however herald fewer customers. Simply make sure the question or downside that your book solves is one that is essential and relevant to the vast majority of your market audience. In case your concepts aren't common data, or you might be presenting a model new technique, it is possible for you to to sell books at a high price. Just be prepared to your competitors to undercut you on price as quickly as they hear about your book.

Understand that the above pricing technique is temporary. Eventually, you will cease to sell books at this excessive price. So figure out in advance how lengthy you plan to offer your book at this high price, and when that time is up, change your pricing strategy.

If you wish to see large profits over customer draw, goal for an viewers that is in search of straightforward options to their issues at a low price. In case your e book is aimed at fixing one particular downside rather than general advice, then you'll be able to charge more. Start at the highest worth the market will bear to usher in the largest profits, and plan to discount the book a variety of times all through the year.

Advertising Methods

The key that unlocks the sales potential of your e-book is to find a single sentence that becomes your selling handle. This sentence states what question or drawback your ebook answers and the benefits your ebook can provide. Then be sure you use that sentence in each piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

Besides promoting your books assiduously on-line, there are several other methods that may assist you to promote more books.

One is to give one thing away without cost together with your e book, akin to a useful bonus item. Or bundle a number of ebooks beneath one worth, which lowers the price for every book in the event that they had been sold separately.

An efficient method for determining a value is to send out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the new e-book, however don't embody a value on that page. As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with different prices on every page. Make sure your gross sales copy is strictly the identical on each

web page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum value is.

Ultimately, for those who've written a guide that solves a drawback or presents a brand new technique, your e-book will bring in both traffic and profits. So make sure to write that promoting-handle sentence that sums up what drawback your book solves and what the advantages of your *Kumon Math Guide* e-book will probably be to the customers who buy it. After which watch your market come to you!
