In the event you *Numbers Tracing Guide* price it too high when compared along with your competitors, one can find yourself steadily lowering the value, which is able to trigger you all kinds of new problems in the future.

Choosing the right value in your **Numbers Tracing Guide** e-book is one of the most important elements of the advertising process. The first rule of pricing ebooks is to never underprice. Determine the highest value your viewers can afford, after which should you find your e-book isn't selling, you may at all times reduce the price. Earlier than you are taking that step, be sure to be promoting your Numbers Tracing Guide ebook like crazy on the Internet and on websites. The price must be geared toward bringing in earnings, however you should never overlook that price is without doubt one of the components that people use in judging the worth of your *Numbers Tracing Guide* ebook? earlier than they purchase it. So all the time start with the highest worth, and then launch a mega-marketing campaign.

Pricing an book is particularly difficult as a result of ebooks are a fairly new commodity. Since they are digital, the value of an e-book is as confusing as the understanding of what digital truly

is to the average layperson. Which means that we must have a look at ebooks in a special mild with a view to determine their actual worth in this courageous, new cyber world.

Let's take a look at the distinction between a book in print and an ebook. A printed book is an object you'll be able to hold in your hand, retailer in your bookshelf, even hand down to the following generation. It's priced on factors such as paper stock, design and production costs, and marketing.

But the fact that unites ebooks and print books is that they're composed of ideas. It is the concepts in these books that have the power to change, or possibly transform, people's lives.

What do you think an concept is value when evaluated towards the cost of paper and ink?

It is the IDEAS that are beneficial! That's the way you determine the cost of your ebook.

What ought to I charge for my ideas?

There are all totally different formulas and strategies for figuring out the proper price for your ebook. Let's start with honing in on your ultimate goals.

Determine in case your objective is to get broad distribution and maximum exposure. This purpose is geared toward drawing clients to what you are promoting or service, or to establishing the credibility of your reputation. If that is your most important goal, it is best to aim to keep your worth on the low side. Some authors have even priced their ebooks at a profit loss to attract a high variety of new customers. The key is to discover a worth that maximizes your profits and the number of books you sell.

This is an excellent pricing strategy in case you are seeking to purchase long-term customers. Lengthy-time period prospects are extraordinarily probably to buy from you once more and again ? as long as the first e-book they buy is of distinctive high quality and beneficial to the customer.

Nonetheless, if your book comprises valuable ? and more importantly NEW information, references, or strategies ? then it is best to goal to cost it on the excessive end.

After you determine your objective, you should determine what your audience's need is in your ebook. For example, does your e book resolve a specific problem? If it does, and solves it in a way that hasn't been written about in 100 other ebooks, you will be capable of achieve high sales at a

excessive price. If your guide solves a problem or answers questions in a brand new and unique method, it's best to value your guide as excessive as you possibly can go. You'll obtain bigger earnings this manner, but bring in fewer customers. Simply ensure that the question or problem that your book solves is one which is important and relevant to the vast majority of your market audience. In case your ideas are not widespread data, or you're presenting a brand new technique, it is possible for you to to promote books at a excessive price. Simply be prepared in your competitors to undercut you on price as quickly as they hear about your book.

Keep in mind that the above pricing strategy is temporary. Finally, you will stop to sell books at this excessive price. So work out in advance how long you plan to offer your ebook at this excessive price, and when that point is up, change your pricing strategy.

If you want to see massive income over buyer draw, aim for an viewers that's on the lookout for simple options to their problems at a low price. If your ebook is aimed at fixing one particular problem reasonably than normal advice, then you possibly can cost more. Start on the highest price the market will bear to usher in the largest earnings, and plan to discount the ebook a number of instances throughout the year.

Advertising Strategies

The key that unlocks the sales potential of your e book is to discover a single sentence that becomes your promoting handle. This sentence states what question or problem your e book solutions and the advantages your e-book can provide. Then be sure you use that sentence in every piece of

gross sales and promotional material, and every time anybody asks you about your ebook.

Besides selling your books assiduously on-line, there are several different methods that may assist you sell extra books.

One is to give one thing away without spending a dime along with your ebook, akin to a beneficial bonus item. Or bundle a number of ebooks under one value, which lowers the worth for every book in the event that they have been bought separately.

An effective technique for determining a value is to ship out a survey to your current customers. If these clients have already purchased an book from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the brand new book, however don't embrace a price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Make sure your gross sales copy is exactly the similar on every page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. This can let you know what your optimum value is.

Ultimately, in case you've written a e book that solves a downside or presents a new technique, your book will bring in both traffic and profits. So you should definitely write that promoting-deal with sentence that sums up what drawback your e book solves and what the benefits of your *Numbers Tracing Guide* ebook will likely be to the purchasers who purchase it. And then watch your market come to you!
