As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with totally different costs on every page. Make sure that your gross sales copy is exactly the identical on

every web page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum worth is.
