One other strategy is to test out prices by creating a variety of duplicate gross sales pages with different costs on every page. Ensure that your sales copy is exactly the same on every page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This will tell you what your optimum price is.

In the end, if you happen to've written a e-book that solves a problem or presents a brand new technique, your ebook will bring in each site visitors and profits.
