Do that by making a sales page for the brand new ebook, but don't embrace a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with different prices on each page. Be sure your gross sales copy is precisely the identical on every page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum value is.
