promotional material, and every time anybody asks you about your ebook.

Be certain your gross sales copy is exactly the same on each web page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. This can let you know what your optimum price is.

Finally, for those who've written a ebook that solves a drawback or presents a new approach, your ebook will usher in both visitors and profits.
