Do this by making a gross sales page for the brand new book, but do not embrace a price on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with

totally different prices on every page. Make certain your gross sales copy is precisely the same on each page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This will tell you what your optimum price is.

In the end, in the event you've written a guide that solves a problem or presents a brand new technique, your book will usher in both traffic and profits.
