Then be sure to use that sentence in each piece of sales and promotional materials, and each time anybody asks you about your ebook.

Moreover selling your books assiduously on-line, there are a number of different methods that may allow you to sell more books.

One is to give one thing away at no cost together with your guide, reminiscent of a worthwhile bonus item. Or bundle several ebooks under one value, which lowers the value for every e-book if they had been sold separately.

An effective method for determining a price is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion in terms of price. Do that by making a gross sales page for the brand new book, but do not embody a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with different prices on each page. Be sure that your gross sales copy is strictly the identical on every

web page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum worth is.

In the end, if you happen to've written a book that solves a downside or presents a new technique, your book will bring in both traffic and profits. So make sure to write that promoting-deal with sentence that sums up what downside your ebook solves and what the advantages of your 1624 ebook might be to the customers who purchase it.
