An effective approach for figuring out a value is to ship out a survey to your present customers. If these prospects have already bought an e book from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new book, but do not embrace a worth on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Make sure that your gross sales copy is exactly the similar on each page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum price is.
