Do that by making a gross sales web page for the brand new guide, but do not include a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by making a number of duplicate gross sales pages with completely different costs on each page. Be certain your sales copy is precisely the same on each

web page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum price is.

In the end, if you happen to've written a guide that solves a downside or presents a new approach, your ebook will bring in both traffic and profits.
