Do this by making a sales web page for the brand new book, however don't embrace a worth on that page. As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with different prices on every page. Be certain that your gross sales copy is exactly the same on each page, and

contains your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum value is.

Finally, if you've written a e-book that solves a problem or presents a brand new approach, your e book will herald each site visitors and profits.
