One other technique is to test out costs by making a number of duplicate gross sales pages with totally different costs on every page. Be certain your gross sales copy is strictly the identical on

every web page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and sales of your book. This can inform you what your optimum worth is.

Finally, for those who've written a guide that solves a problem or presents a brand new approach, your ebook will herald both site visitors and profits.
