Do this by making a sales web page for the brand new book, but don't embrace a price on that page. As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Be certain that your sales copy is exactly the same on each

page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum worth is.

In the end, should you've written a e-book that solves a problem or presents a brand new approach, your e book will usher in each visitors and profits.
