price. Do that by making a sales page for the new book, but do not embody a worth on that page. As an alternative, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Ensure that your gross sales copy is precisely the identical on every web page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum value is.
