If these clients have already purchased an e book from you, ask for their opinion when it comes to price. Do this by making a gross sales page for the new guide, however do not embrace a value on that page. One other technique is to test out prices by creating a number of duplicate sales pages with completely different prices on every page. Be certain your gross sales copy is precisely the identical on each page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum value is.
