Begin at the highest worth the market will bear to usher in the largest income, and plan to discount the e book a number of times throughout the year.

Do that by making a gross sales page for the new ebook, however do not embrace a price on that page. As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with

completely different prices on each page. Make sure that your sales copy is precisely the similar on each page, and consists of your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum price is.

Finally, in the event you've written a e book that solves a downside or presents a brand new method, your e-book will usher in both traffic and profits.
