Do that by creating a sales page for the new e book, but do not include a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with different prices on every page. Make certain your gross sales copy is precisely the same on every page, and

includes your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum value is.
