If these customers have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the brand new e-book, however do not embrace a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with completely different prices on every page. Be certain that your gross sales copy is precisely the

same on every web page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum value is.

In the end, in case you've written a guide that solves a drawback or presents a brand new approach, your guide will usher in both traffic and profits.
