If your ebook solves a problem or answers questions in a brand new and unique way, you should worth your ebook as high as you'll be able to go. If you wish to see large earnings over customer draw, goal for an audience that is looking for simple options to their issues at a low price. If your ebook is aimed at solving one specific problem slightly than normal advice, then you'll be able to cost more. Start at the highest worth the market will bear to herald the largest profits, and plan to low cost the guide a number of instances throughout the year.
