If your guide solves an issue or answers questions in a brand new and distinctive manner, you must price your e book as excessive as you may go. You'll obtain larger income this manner, but bring in fewer customers. Begin on the highest price the market will bear to bring in the largest profits, and plan to low cost the book a number of times all through the year.

page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum value is.

Finally, if you've written a guide that solves a downside or presents a new approach, your e book will usher in both traffic and profits.
