Pricing an e book is particularly tough as a result of ebooks are a reasonably new commodity. Since

they're digital, the value of an ebook is as confusing because the understanding of what digital actually is to the average layperson. Which means we must have a look at ebooks in a distinct gentle with a view to determine their precise price on this courageous, new cyber world.

Let's take a look at the distinction between a e-book in print and an ebook. A printed book is an object you can hold in your hand, store on your bookshelf, even hand down to the next generation. It's priced on elements such as paper inventory, design and production costs, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It's the concepts in these books which have the flexibility to vary, or possibly rework, people's lives.

What do you assume an idea is value when evaluated against the price of paper and ink?

It is the IDEAS which are precious! That's how you decide the cost of your ebook.

What should I charge for my ideas?

There are all completely different formulas and methods for figuring out the proper value to your ebook. Let's start with honing in in your final goals.

Determine if your objective is to get broad distribution and maximum exposure. This purpose is aimed at drawing customers to what you are promoting or service, or to establishing the credibility of your reputation. If that is your essential purpose, it is best to purpose to maintain your worth on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high number of new customers. The key is to find a price that maximizes your earnings and the variety of books you sell.

This is a superb pricing technique in case you are seeking to acquire long-term customers. Lengthy-time period prospects are extremely likely to purchase from you once more and again ? so long as the first ebook they buy is of distinctive high quality and useful to the customer.

Nevertheless, if your book contains priceless ? and more importantly NEW info, references, or methods ? then you must intention to price it on the high end.

After you determine your aim, you must work out what your viewers's need is on your ebook. For example, does your guide clear up a selected problem? If it does, and solves it in a method that hasn't been written about in one hundred other ebooks, you can be capable of achieve high sales at a

high price. In case your guide solves a problem or answers questions in a new and unique means, you need to worth your ebook as high as you possibly can go. You'll obtain larger earnings this fashion, however usher in fewer customers. Simply be sure that the question or downside that your book solves is one which is important and relevant to nearly all of your market audience. If your ideas should not widespread information, or you are presenting a model new method, you will be able to sell books at a excessive price. Just be ready in your competitors to undercut you on worth as quickly as they hear about your book.

Keep in mind that the above pricing technique is temporary. Finally, you will stop to sell books at this high price. So figure out upfront how long you plan to supply your ebook at this excessive worth, and when that time is up, change your pricing strategy.

If you want to see massive profits over customer draw, aim for an audience that's on the lookout for easy solutions to their issues at a low price. In case your book is aimed toward solving one particular problem quite than common advice, then you can charge more. Start on the highest worth the market will bear to bring in the largest income, and plan to low cost the ebook a variety of instances throughout the year.

Advertising Strategies

The key that unlocks the sales potential of your e book is to discover a single sentence that becomes your selling handle. This sentence states what query or downside your book answers and the advantages your e-book can provide. Then remember to use that sentence in every piece of gross sales

and promotional materials, and each time anyone asks you about your ebook.

Apart from selling your books assiduously on-line, there are a number of different methods that can make it easier to sell more books.

One is to provide one thing away at no cost with your e-book, reminiscent of a valuable bonus item. Or bundle several ebooks underneath one worth, which lowers the worth for each book if they have been bought separately.

An efficient approach for figuring out a price is to send out a survey to your current customers. If these customers have already purchased an ebook from you, ask for their opinion in terms of price. Do that by making a sales page for the new ebook, however do not include a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Be certain that your sales copy is strictly the same on every web page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum worth is.

Finally, if you've written a e book that solves a problem or presents a new method, your ebook will herald both visitors and profits. So make sure to write that promoting-handle sentence that sums up what downside your guide solves and what the advantages of your *Study Guide Ellen Ochoa* ebook can be to the customers who buy it. After which watch your market come to you!
