As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with different costs on every page. Make sure your gross sales copy is precisely the same on every page,

and includes your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum price is.
